What is AWS Skill Builder?

AWS Skill Builder is a digital platform providing over 600+ digital courses including exam prep resources, game-based learning, labs, challenges, and more.

Develop AWS skills with interactive and hands-on learning environments

Translate business problems into technical solutions by enrolling in an AWS SimuLearn training that pairs gen AI-powered simulations with hands-on building.

Build role and industry expertise while having fun with AWS Cloud Quest and Industry Quest.

Explore the building blocks of AWS Cloud architecture through virtual card games, AWS Card Clash.

Strengthen your team's AWS knowledge and foster collaboration by hosting and participating in trivia sessions through AWS Skill Builder Trivia.

Learn hands-on in the AWS Console

Unlock hundreds of self-paced labs to develop and apply practical skills. Receive guided instructions for common cloud scenarios in a live AWS environment, and practice building without risk of unanticipated expenses. Available with the AI-powered, trainer-inspired AWS Learning Assistant to help you answer queries, explain code, and discuss product implications—all within your lab's context.

aws academy

AWS Academy Student Overview

- An AWS Academy student is eligible for a free1-year subscription to AWS Skill Builder, based on the activation start date.
- Each student is eligible for four AWS certification vouchers based on the AWS Skill Builder course passed.
- Important notes for students:
    - Your email must have been verified in Canvas.

AWS Certification Vouchers

Currently, AWS Academy is offering 100% discounted vouchers for Academy educators and students.

Vouchers

- Upon completion of the Official Practice Exams, a 100% discounted voucher will be distributed within 3 days:
    - Official Practice Exam: AWS Certified AI Practitioner (AIF-C01)
    - Official Practice Exam: AWS Certified Cloud Practitioner (CLF-C02)
    - Official Practice Exam: AWS Certified Developer – Associate (DVA-C02)
    - Official Practice Exam: AWS Certified Solutions Architect – Associate (SAA-C03)
- Educators and students are eligible for one voucher per practice exam, therefore no more than 4 total.
- An email will be sent out from Pearson Vue when the voucher has been assigned to the learner. The learner can then schedule their exam.
